

DEAR CUSTOMER,

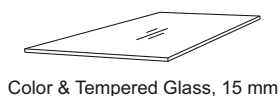

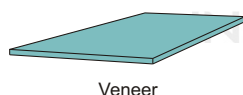

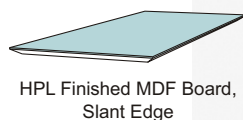

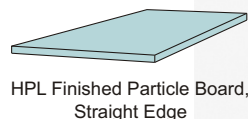

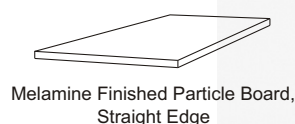

Welcome to **Practika's Desking Specify Guide**. Inside this binder, we have prepared all necessary information which will help you to design various office workspaces according to your style, functions and budget. Since our Desking System is very wide and interchangeable, we would like to give you a brief explanation which will shorten your time in selecting a suitable model for your designs as follows:

NOTE!

Please note that this is a very rough price estimate from **Standard Product Price List** just to give you a rough picture. The final prices may vary according to your designs and specifications.

PRODUCT COMPLEXITY LINE-UP

Practika's Desking System is available upon your needs. The products, in term of complexity, are lined up as follows:

1. STANDARD PRODUCTS (Specify Guide Products)

The products shown in this "Specify Guide" are provided for easy and fast operations.

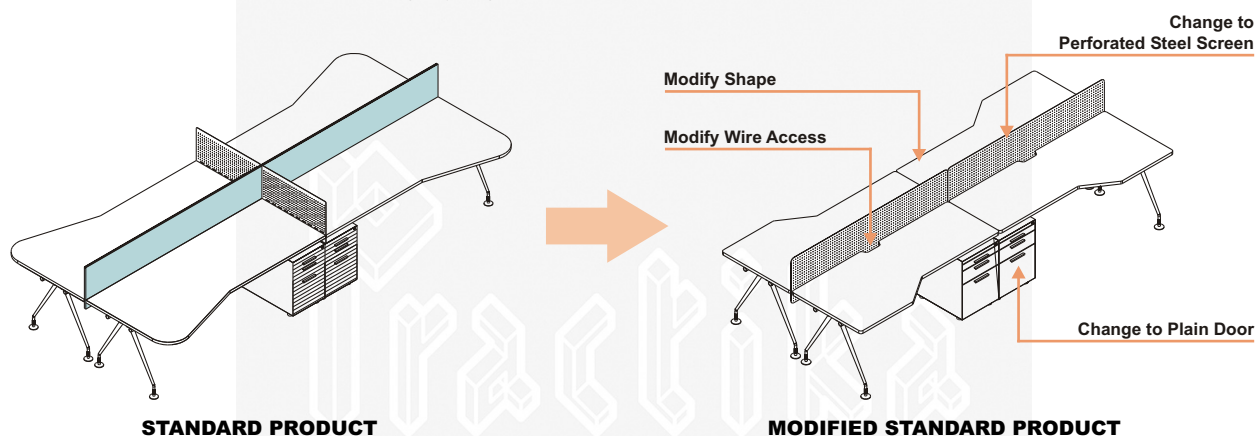

TIPS: Although this is Standard Product but there is some flexibility provided for creating design variation as follows:

- Drawers & Cabinets:** You can select from any model, all drawers and cabinets are interchangeable.
- Screens & Modesty Panels:** Available in 6 types.
- Colors & Patterns:** Please see "Colors & Patterns" section, a variety of choices available.

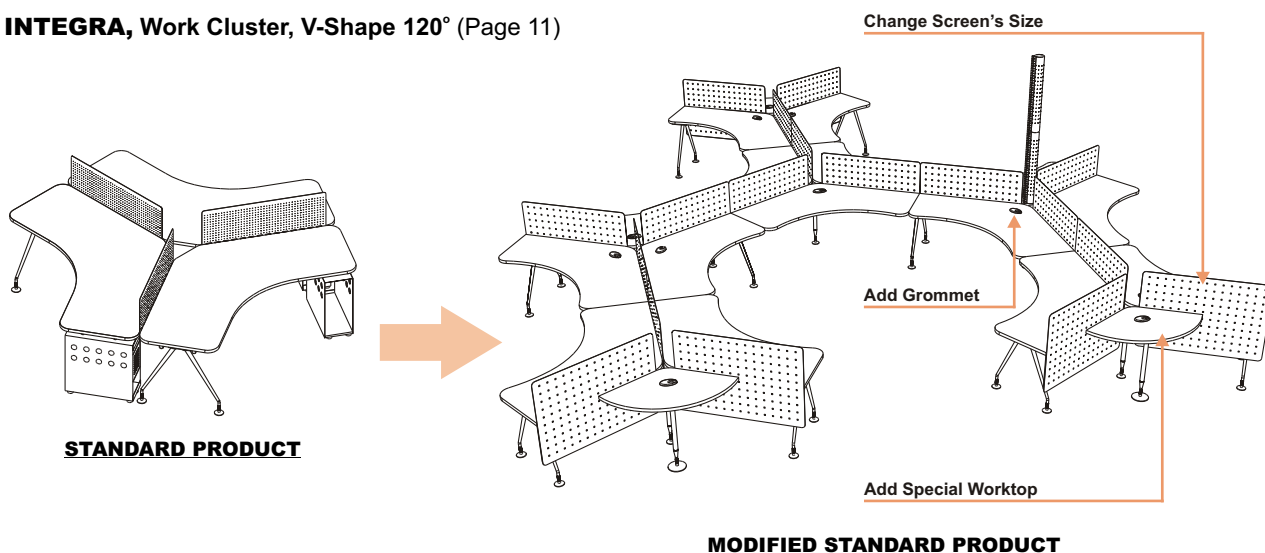

2. MODIFIED STANDARD PRODUCTS

You may modify our Standard Product shown in this Specify Guide to meet with your designs or needs as shown below:

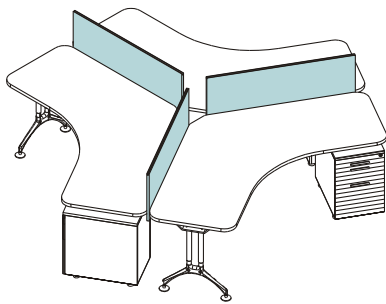

INTEGRA, Work Cluster, P-Shape (Page 9)

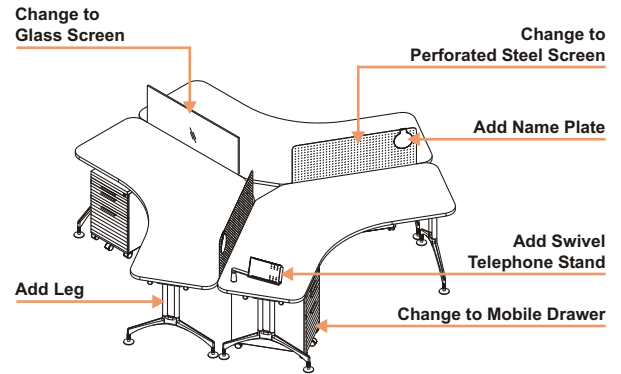

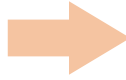

INTEGRA, Work Cluster, V-Shape 120° (Page 11)

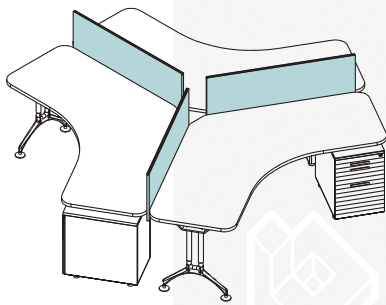

SPiRiT, Work Cluster, V-Shape 120° (Page 11)

MODIFIED STANDARD PRODUCT

TEAM, Work Cluster, Rectangular Shape (Page 8)

TEAM, Work Cluster, V-Shape 120° (Page 11)

TIPS: You can also modify some standard options and create a different look as details below:

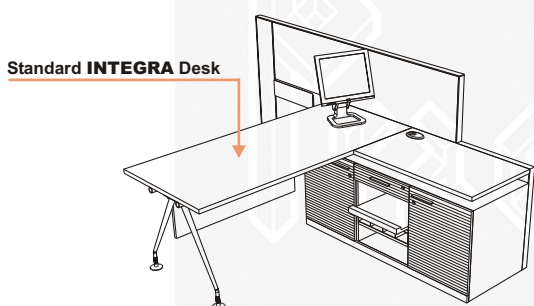

- Edges:** Standard's edge is straight PVC vertical edging. A 45° slant edging is a very nice option available for you to select.
- Perforated Patterns:** Available in 6 types. (If you do not specify, the standard perforate PR06 will be automatically used.)
- Handles:** Available in 3 types. (If you do not specify, the standard handle as indicated will be supplied.)
- Relief Doors/Drawers Front:** Available in 4 types. (If you do not specify, the relief pattern will be supplied as indicated.)

3. INDUSTRIAL CUSTOMIZED PRODUCTS

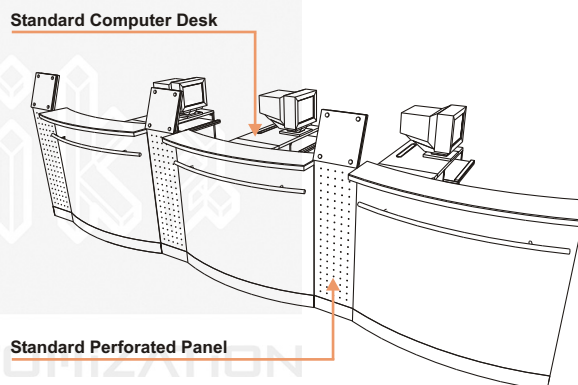

This product range will give you freedom to design your own style based on Practika's components. Those components are as follows:

- Size & Shape:** You can design worktops in any shape and size. All our production line need is .dfx file through e-mail.
- Drawers & Cabinets:** You can design as you need
 - Size/Dimension
 - Drawers/Cabinets's relief front
- Handles:** Select from our options or use your special handle. In case of using your special handle, we need one piece of handle sample and a drawing of its position.
- Perforated Screens & Modesty Panels:** Select pattern from our options or design your own pattern. For more information, curved screen made of acrylic or perforated screen are also possible to produce. Please contact us for technical co-operation advice.
- Relief Doors/Drawers Front:** Select from our options or design your own pattern. Please note that special colors are also available upon request. Please contact us for more details.
- Legs:** Select from any of our range or design your own leg. Please contact our staff to help you on desk structure.

IMPORTANT!

Industrial Customized Products need time and tight co-operation. Most of those projects need to mock-up and re-developing many times before final. We, Practika, are willing to give you full technical supporting but we could not guarantee your customers full satisfaction on the final products.

INTERNATIONAL WARRANTY

Practika Co., Ltd. warrants to all metal and wood components of its products to be free from defects in material and workmanship from the date of original purchase by and end user for standard office applicants.

The term of the warranty is as follow:

5 YEARS

- All steel pedestals and components
- All standard screen & modesty panel
- All standard desk & work cluster, wood and non-wood components
- Equipment storage drawers and all universal storage drawers

3 YEARS

- All other Practika products and accessories
- Seating & chair and components

THIS WARRANTY DOES NOT APPLY TO:

- Damage caused by a carrier other than Practika
- Normal wear and tear or acts or omissions of parties other than Practika (including user modification)
- Damage caused by Dealer or end user modifications to a product
- Damage caused during shipment or storage, or by accident or misuse, of a product
- COM or other third party materials applied to products
- Products not installed by or under the auspices of a Practika certified installer
- Dramatic temperature variations or exposure to unusual conditions

Natural variations occurring in wood, marble and leather shall not be considered defects, and Practika does not guarantee the colorfastness or matching of the colors, grains or textures or surface hardness of such materials. Practika also does not guarantee the colorfastness of fibreglass panel surfaces.

CONTINUITY GUARANTEE

Practika will ensure that any Practika manufactured product or components thereof purchased will be available for purchase to the Client or the Client's agents within five years from the date of first delivery. Practika guarantee to supply a reasonable quantity of products, which are the same as, improved or modified versions of, or compatible with, installed products. Fabrics and veneers are subject to natural ageing and fading and an exact match cannot be guaranteed; further, Customers own materials and special fabric weaves are excepted however in these instances Practika will endeavour to supply fabrics of a color which blend with the installed office environment.

The express warranties contained herein are in lieu of all other warranties, express or implied, including any warranties of merchantability and fitness for particular purpose and all other warranties arising from course of dealing or usage of trade. The remedies provided above are the Purchasers' sole remedies for any failure of the Seller to comply with its obligations regarding the workmanship of its products. Correction of any non-conformity in the manner and for the period of time provided, shall constitute complete fulfilment of all liabilities of the Seller, with respect to or arising out of the product furnished.
